Dear Ms. Ross:

On behalf of the City of Coppell (the "city"), you ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 120733 (your City Request Nos. 4399 and 4410).

The city received requests for "all documentation of the investigation of Lisa Andrus which led to her termination, including her letter of termination," and "a first generation copy of the termination letter" of Lisa Andrus. You contend that these documents are excepted from disclosure under sections 552.101 and 552.103 of the Government Code.

We previously ruled on the applicability of sections 552.101 and 552.103 to the documents at issue. Open Records Letter Nos. 98-3124 (1998), 98-2997 (1998). These rulings are dispositive of the issues raised here. We have enclosed copies of these rulings for your consideration. If you have questions about this letter, please contact our office.

Yours very truly,
